INSURANCE

Insurance coverage is the responsibility of the renter and is strongly recommended due to the value of the equipment. As the renter, you assume full responsibility and are completely liable for the condition of the rental equipment while it is in route to you, and in your possession.

Insurance coverage is suggested for high value or high risk equipment. Proof of insurance may be requested prior to the rental, and must include the following:

1. Be "all risk" and equal the total replacement value of all rented equipment.
2. Name Southeastern Camera and Supply as the sole "loss payee".
3. Be the primary source of insurance coverage.
4. Be on file with Southeastern Camera and Supply before the rental begins.

LOSS • DAMAGE • THEFT

The renter agrees to assume full responsibility for all rental equipment and also agrees to compensate Southeastern Camera and Supply for any and all equipment that is lost, stolen or damaged. This includes paying for all repairs up to the full replacement value of the equipment.

Please note, stealing rental equipment is a felony. You will be reported to the authorities if the equipment is not returned. Keep it simple for everyone and just don't steal!

RESERVATIONS AND CANCELLATIONS

Because all equipment is rented on a first come first served basis, a reservation is recommended and should be scheduled in advance. All reservations must be cancelled with a minimum of 24 hours. Cancellations with less than 24 hour notice are subject to a charge of the full rental rate.

If the item is rented over the weekend, you pay the weekend rate, no matter if it's picked up Friday or Saturday.

RETURNS

Rentals begin at the time item is picked up and must be returned by 12 Noon the following day. Weekend rentals are due the following Tuesday (Carrboro Store Only) by 12 Noon.

BATTERY AND EQUIPMENT POLICY

Alkaline, Lithium and Silver Oxide batteries are considered expendable items. Southeastern Camera and Supply provides batteries for each rental item, but cannot guarantee the viability of the batteries. It is highly recommended that you carry spare batteries and allow ample time to charge the battery ahead of time. It is strongly recommended that you inspect all equipment before relying on it. Memory cards are not provided.

"TRY BEFORE YOU BUY" POLICY

If you rent equipment for the purpose of trying it out before purchasing that item: Up to 50% of rental charge may be applied to the purchase (within 7 days) of the same equipment that is sold as new. In the case of discontinued items, the 50% rental credit may be used on the next model that is currently available.

ADDITIONAL

Southeastern Camera and Supply's rental prices are based on the premise that the operators are experienced and well trained. Our gear is professional equipment and is not recommended for the inexperienced user.

Failure to understand equipment operation is not an excuse for refund requests.
